On deed 85-157 it was attempted to make a combined desc. but everything was messed up. Instead of 42.14 ac ex. 13.23 ac the new desc. should have been 42.14 ac ex. 2.81 ex. 11.78 and a second tract of 2.56 ac. The problem with the new deed desc. is that all of the 13.23 ac doesn't come out of the 42.14 ac parcel.
