To Geo Leavengood John Priest & Jackson White

You are hereby notified that a survey will be made and testimony <sup>taken</sup> by J. C. Balhoun the County Surveyor of Holmes county Ohio on the 23<sup>rd</sup> day of May A.D. 1878 between the hours of 6 a.m. & 7 p.m. and continued from day to day until finished for the purpose of establishing corners and lines in & around the North East quarter of Section 32 in Township 20 of Range 15 Interested parties are notified to meet at the residence of Morgan Workman before the work is commenced

Morgan Workman

On the 27<sup>th</sup> & 29<sup>th</sup> days of April 1878 & 20<sup>th</sup> day before the day for making survey I served a copy of the within notice or had served in my power on Geo Leavengood John Priest & Jackson White

Morgan Workman

State of Ohio Holmes county s.s.

Appointed to and subscribed in my presence a county surveyor in and for said county this 23<sup>rd</sup> day of May A.D. 1878

J. C. Balhoun

County Surveyor

On the 23<sup>rd</sup> day of May A.D. 1878 I proceeded <sup>& did</sup> according to law establish corners at A. a. b. c. & d. The measurements are all shown on the plat there were undisputed corners at B. H. Y & C. at B is stone planted by Silas Jack at X is stone at Y is a cedar post and at C is stone supposed to have been planted by Father Robinson A run the lines X, Y, A B & a C undivided proportionally according to law planted stones with glass underneath at a b c & d also stone at A with crockery underneath

The bearing on E & W lines is as 1 degree plus a fraction on North & South nearly due

William Wise & Jacob Myers acted as chairman S. F. Savits chief markman Philip Wise & William Munster book layman all them (5) were duly sworn to discharge their several duties according to law Parties present at the planting of corners a, b, c & d together with above named were Jackson White Wm Wise Geo Leavengood (Geo Leavengood except corner b) W. P. Workman & Morgan Workman except corner b

I certify the above to be a true plat and correct description of the survey made as above set forth

J. C. Balhoun

County Surveyor
