

7 8 Sec 15. Pt. N.W. qr.

Survey made for Henry Kasner to cut off a strip 60 ft wide along the north side of a $\frac{85}{100}$ acre tract west of the Railway (Branch) as shown by plat.

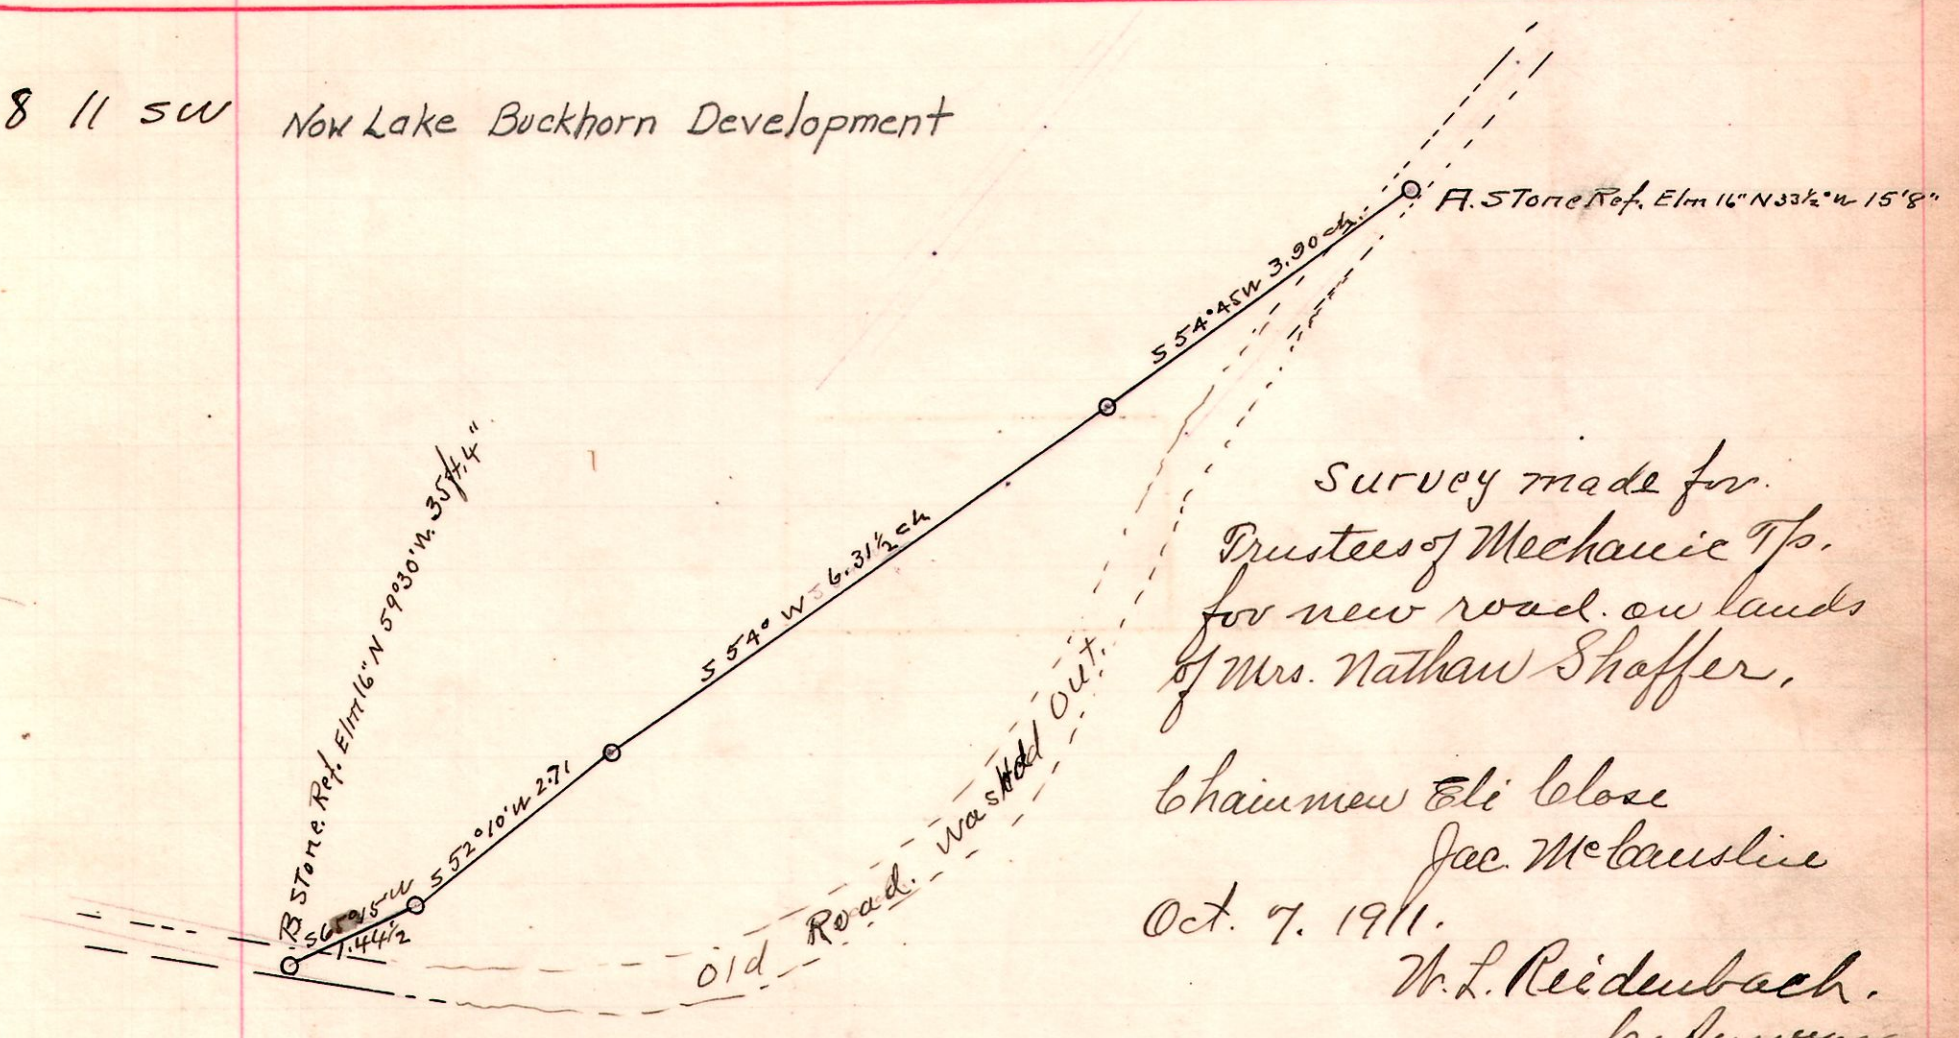

B.M. Fisher }
F.D. Van Allen } chairman

The line A.B. was a crooked line and was supposed to be straight at the time it was laid off. By agreement by H. Kasner & Chas Carpenter the only parties interested 12 feet was added to the line C. D. making it 198.12 feet instead of 114.7 links

July 8. 1911.

W.L. Reidenbach
County Surveyor

7 8 11 SW Now Lake Buckhorn Development
